Invitation

Dear Friends and Colleagues,

On behalf of the Organising Committee and IAPSM HP Chapter we welcome you to the 1st International Conference of HP Chapter & 46th National Conference of Indian Association of Preventive & Social Medicine from 7th to 10th March 2019 to be held at Indira Gandhi Medical College, Shimla, Himachal Pradesh, India.

This four day Scientific meet will include CME, Plenary Sessions, Orations and Scientific sessions. We are going to have prominent speakers from across the world. The aim is to have ample time for discussions, deliver the best scientific material and provide clear cut carry home messages. To encourage our young scientists, we are planning two brain storming sessions:

1. The role of young public health professionals towards fulfilling the targets set under Ayushman Bharat through Universal Health Coverage by innovations and changes in the health system.

2. The role of younger members of IAPSM in strengthening IAPSM.

With your support, we are determined to make this conference a huge success. The members of IAPSM Himachal Chapter will not leave any stone unturned to make it a very memorable event. The preparations have already begun. We are waiting to welcome you to this memorable event. Please mark 7th to 10th March 2019 on your calendars.

We look forward to your esteemed presence in IAPSMCON-2019 Shimla. We are sure that this scientific extravaganza will “enrich your knowledge”.

Shimla

The former summer capital of the British in India, and the present capital of Himachal Pradesh, Shimla has been blessed with all the natural bounties which one can think of. It has got a scenic location, surrounded by green hills with snow-capped peaks. The spectacular cool hills accompanied by the structures made during the colonial era creates an aura which is very different from other hills. This amalgamation of the world in this queen of Hills leaves everybody spellbound.

Indira Gandhi Medical College at Shimla (HPMC) was established in the year 1966 with admissions of 50 students in the first batch and since then has been providing best medical teaching to the students of this part of the country. It was renamed Indira Gandhi Medical College in 1984. Admission facility was increased to 65 in 1978 and 100 in 2010. The post Graduate courses were started in 16 disciplines in the year 1981 and has increased to 20 at present.

Department of Community Medicine

Since the inception of the institute, the Department of Community Medicine (previously known as Dept. of Preventive & Social Medicine) has been a key department at IGMC, Shimla. The Department aims to produce high quality public health professionals and community physicians. The department has always remained a strong pillar in dealing with diseases of public health importance, especially during epidemics and outbreaks. The department is credited with successfully conducting various research works under ICMR, NHM and WHO.
